Link: Download Hindu Calendar 2018 with Tithi in pdf The calendar is based on Purnimat system followed in North India. Hence one should set the location before looking into the festival list. Hindu festivals calendar is also known as Hindu Vrat and Tyohar calendar. All important festivals and fasting 2018 dates are marked in the calendar. A month in this Hindu calendar begins after Purnima and ends on Purnima. Holi celebrations are now half a month into the new year 2018, and most of us are getting ready for the big long weekend on occasion of the Indian Republic Day. Please visit Hindu Festivals as per Lunar month to know in which Lunar month festivals are celebrated. And these festivals often give us peeks into a whole different world and culture in parts of India: perfect fodder for those bitten by the travel bug. Most Hindu festivals calendar include significant fasting days along with festivals. But we need to look at the auspicious days coming up this year according to the Hindu calendar. Many Hindu festivals are celebrated while keeping a day-long fast on the festival day. Here, then, is a quick look at the Hindu calendar of 2018 and the auspicious days you can expect this year. Most of the Hindu festivals are determined based on position of the Sun and the Moon.
